

BLACKSBURG ATHLETIC CLUB

July 16, 2018

Dear BHS and BMS Families/Supporters:

The mission of the Blacksburg Athletic Club (BAC) is to provide funding support for all Blacksburg High and Middle School VHSL sanctioned events.

Membership dues, gate receipts, concessions and organized fundraising events has allowed the organization to provide over \$25,000 each year for the last several years to help support the various sports programs. The BAC provides support for field maintenance, sports medicine supplies, transportation, uniforms, referees/umpires, and special initiatives including capital improvements as well as many other initiatives.

Some of the initiatives funded by the Blacksburg Athletic Club in the last few years are: the new press box and audio system for the BHS baseball/softball fields, purchasing a trailer to accommodate mobile concessions, a gator for the athletic trainer, a cover for the football/soccer/lacrosse fields, trees and a windscreen for the track. In addition to the general support for the 2017-18 year, the BAC funded the lighting project for the BHS softball field.

The Blacksburg Athletic Club relies on members and volunteers to make fundraising efforts a success, so we hope that you will consider becoming a part of this organization. The BAC has several membership options and many volunteer opportunities.

Please join us for a meeting for further information regarding opportunities. Regular meetings are held each month during the school year at 7PM in the BHS Library. You can also request to join the BAC Facebook page to receive information and updates.

Sincerely,

Jason Massie
